News from the Governor ~ Ed Williams

Dear Members of Moose Lodge 1852,

Hopefully you have had a chance to come by the Lodge for a Saturday Night Dinner and Dancing. If not, please come by Soon. We are serving fresh delicious dinners and hiring excellent bands and entertainers for most Saturdays. We are working hard to make the Lodge a fun choice for you and your friends.

Please use our website at www.moose1852.com to view our Up-To-Date Calendar. This is where you will find out Everything that is happening at Your Lodge. From meetings to Pool, Bunco, & Shuffle Board, to Dinners and Entertainment. The calendar in the Newsletter is up-to-date when published, but Circumstances do occur that require changes at times. Some dinners are "to-be-announce" and those will be posted to the website calendar when they are set. Watch for Football On The Big Screen, and Specials during Charger games coming soon.

The Property Tax Raffle tickets will be sent out soon. Your Board and Chapter have been working hard making needed repairs. Both ovens now work properly, the walk-in reefer has had the cooling system updated and repaired, the dance floor is about to have the edging repaired, and lighting is being updated and repaired. Because our regular monthly obligations and needed repairs take nearly all the funds we raise each month, the Tax Raffle donations are Greatly Appreciated to assist us with a Large Tax Obligation. We are always hopeful that our members will participate in the raffle to Help the Lodge and for a chance at a nice cash prize.

Lastly, we are always looking for Members that have a Trade they can share, a material donation they can make (like new carpeting, lights, utensils...), a financial donation toward a specific cause of your choice (like new carpeting, painting, air conditioning, parking lot repairs, or partitions for the bathrooms in the rear building), or a donation of their Time to help us with dinners or repair tasks. And, all suggestions are welcomed. Please contact me directly if you like. edsmail@cox.net or 619-823-9576.

Fraternally,
Ed Williams - Governor 2016-2017

The Tommy Moose® program aids in helping children overcome fears and anxiety during times of stress. Donated to Law Enforcement, Fire, and other Emergency workers, Tommy Moose plush dolls are presented to children in various traumatic situations. In addition to this service, the Tommy Moose character has grown to personify happiness, safety, and security through personal appearances, books, and on children's goods.

For more than 25 years, we have organized high school students into a highly effective speakers' bureau with the goal of educating preschool and elementary school-aged children on a variety of topics, including drug and alcohol abuse, child abuse, "stranger danger," bullying and peer pressure, and healthy habits and nutrition.

Through Moose KidsTalks presentations, participants in the program have reached an audience more than 750,000 children throughout North America. Students also have a chance to compete for \$30,000 in college scholarship money that is awarded annually through this program.

For more information about how youth can participate and for the Association Youth Awareness Congress Schedule and lists of Loyal Order of Moose & Women of the Moose Youth Awareness Coordinators, please visit our [Forms/Documents](#) section of Moose International's website for more details.

Message from Walt Zurowski

I recently read an article concerning something that is called the "Butterfly Effect," which suggests that a butterfly flapping its wings in Arizona can create a breeze that ultimately becomes a hurricane in China. The theory is that a single act, no matter how small, can influence events around the world.

It illustrates that an event that seems insignificant at first may not have a lasting effect. But, a small item might make a significant contribution, much like the ripples from a pebble being dropped into a lake. These are some of the things I have observed in my travels so far this year.

The actions of our Moose Legionnaires are now and will going forward, have a lasting impact upon our fraternity well into the future. Each of us has a special talent we can use to help one another and our Lodges to grow and prosper. Each time we have an opportunity to help our communities we are making a significant difference in the lives of others.

With the pace of change these days, many live on the cutting edge and have difficulty keeping up with the demands of helping our Lodges and Moose Legions to continually prosper. Some may find it difficult to devote the time necessary to participate and make our Moose Legions a cohesive unit. That is why we call upon our Moose Legionnaires to lead the way.

That is why we ask our Moose Legionnaires to be the influencers within their respective Lodges. As Moose Legionnaires, we're part of the group that has "been there and done that," countless times and we are always looking for ways to help our fellow Lodge members.

Each of us has unique challenges and obstacles to overcome. But, what we have in common while serving our great fraternity is an opportunity to share our learned experiences with those who are still on the first steps of their journey in the Moose and Moose Legion.

That single act we perform within our Lodge and Moose Legion may have an influence on many. Have you been flapping your wings?

Walt Zurowski

International Moose Legion President

MOOSE - RAISE THE ROOF

May 1, 2016 - April 30, 2017

During the “Moose – Raise the Roof” membership campaign, we will continue to focus on our core values and growing our Lodges and Chapters. By raising awareness of the Moose and what we do for our children at Mooseheart, our seniors at Moosehaven, and our local communities, our potential for growth is limitless!
